

Federal Communications Commission

§ 61.15

(b) All incumbent local exchange carriers are required to file tariff publications electronically.

(c) All tariff publications shall be filed in a manner that is compatible and consistent with the technical requirements of the Electronic Tariff Filing System.

§61.14 Method of filing publications.

(a) Publications filed electronically must be addressed to "Secretary, Federal Communications Commission, Washington, DC 20554." The Electronic Tariff Filing System will accept filings 24 hours a day, seven days a week. The official filing date of a publication received by the Electronic Tariff Filing System will be determined by the date and time the transmission ends. If the transmission ends after the close of a business day, as that term is defined in §1.4(e)(2) of this Chapter, the filing will be date and time stamped as of the opening of the next business day.

(b) In addition, except for issuing carriers filing tariffing fees electronically, for all tariff publications requiring fees as set forth in part 1, subpart G of this chapter, issuing carriers must submit the original of the transmittal letter, (without attachments), FCC Form 159, and the appropriate fee to the Mellon Bank, Pittsburgh, PA, at the address set forth in §1.1105 of this chapter. Issuing carriers submitting tariff fees electronically should submit a copy of the Form 159 and the original transmittal letter to the Secretary of the Commission in lieu of the Mellon Bank. The Form 159 should display the Electronic Audit Code in the box in the upper left hand corner marked "reserved". Issuing carriers should submit these fee materials on the same day as the transmission in paragraph (a) of this section.

(c) Carriers that are required to file publications electronically may not file those publications on paper or other media unless specifically required to do so by the Commission.

(d) Carriers that are required to file publications electronically need only transmit one set of files to the Commission. No other copies to any other party are required.

(e) Carriers that are required to file publications electronically must con-

tinue to comply with the format requirements set forth in part 61.

§61.15 Letters of transmittal and cover letters.

(a) All tariff publications filed with the Commission electronically must be accompanied by a letter of transmittal. All letters of transmittal must:

(1) Concisely explain the nature and purpose of the filing;

(2) Specify whether supporting information is required for the new tariff or tariff revision, and specify the Commission rule or rules governing the supporting information requirements for that filing;

(3) Contain a statement indicating the date and method of filing of the original of the transmittal as required by §61.14(b).

(b) Carriers filing tariffs electronically pursuant to the notice requirements of section 204(a)(3) of the Communications Act shall display prominently, in the upper right hand corner of the letter of transmittal, a statement that the filing is made pursuant to that section and whether the tariff is filed on 7 or 15 days notice.

(c) Any carrier filing a new or revised tariff made on 15 days' notice or less shall include in the letter of transmittal the name, room number, street address, telephone number, and facsimile number of the individual designated by the filing carrier to receive personal or facsimile service of petitions against the filing as required under §1.773(a)(4) of this chapter.

(d) The letter of transmittal must specifically reference by number any special permission necessary to implement the tariff publication. Special permission must be granted prior to the filing of the tariff publication and may not be requested in the transmittal letter.

(e) The letter of transmittal must be substantially in the format established in §§61.33(g) and 61.33(h)(1).

(f) All submissions of documents other than a new tariff or revisions to an existing tariff, such as Base Documents or Tariff Review Plans, must be accompanied by a cover letter that

concisely explains the nature and purpose of the filing. Publications submitted under this paragraph are not required to submit a tariffing fee.

§ 61.16 Base documents.

(a) The Base Document is a complete tariff which incorporates all effective revisions, as of the last day of the preceding month. The Base Document should be submitted with a cover letter as specified in § 61.15(f) of this part and identified as the *Monthly Updated Base Document*.

(b) Initially, carriers that currently have tariffs on file with the commission must file a Base Document within five days of the initiation of mandatory electronic filing.

(c) Subsequently, if there have been revisions that became effective up to and including the last day of the preceding month, a new Base Document must be submitted within the first five business days of the current month that will incorporate those revisions.

§ 61.17 Method of filing applications for special permission.

(a) An application for special permission filed electronically must be addressed to "Secretary, Federal Communications Commission, Washington, DC 20554." The Electronic Tariff Filing System will accept filings 24 hours a day, seven days a week. The official filing date of a publication received by the Electronic Tariff Filing System will be determined by the date and time the transmission ends. If the transmission ends after the close of a business day, as that term is defined in § 1.4(e)(2) of this chapter, the filing will be date and time stamped as of the opening of the next business day.

(b) In addition, except for issuing carriers filing tariffing fees electronically, for special permission applications requiring fees as set forth in part 1, subpart G of this chapter, issuing carriers must submit the original of the application letter (without attachments), FCC Form 159, and the appropriate fee to the Mellon Bank, Pittsburgh, PA, at the address set forth in § 1.1105 of this chapter. Issuing carriers submitting tariffing fees electronically should submit a copy of the Form 159 and the original application letter to the Sec-

retary of the Commission in lieu of the Mellon Bank. The Form 159 should display the Electronic Audit Code in the box in the upper left hand corner marked "reserved". Issuing carriers should submit these fee materials on the same day as the transmission in paragraph (a) of this section.

(c) In addition, the requirements of § 61.153(c) are applicable, except the additional copy addressed to the Chief, Tariff and Pricing Analysis Branch is not required.
